WARNING: Use only as directed. Keep out of reach of children. Not intended for persons under 18 years of age. Do not exceed recommended serving. Do not use if pregnant or nursing. Consult a physician prior to using this product, especially if you have any pre-existing medical conditions, including high blood pressure, heart or thyroid problems, nervous disorders, diabetes or are taking any medication. This product should not be used in conjunction with any prescription medication, including mao inhibitors, stimulants or anti-depressants. Do not use if you are sensitive to caffeine containing products. Limit the use of caffeine-containing medication, food or beverages while using this product as too much caffeine may cause nervousness, sleeplessness and occasionally rapid heartbeat. Improper use of this product will not improve results and is not advised. Do not use if packaging is not sealed or shows signs of tampering. These statements have not been evaluated by regulatory agencies. This product is not intended to diagnose, treat, cure or prevent any disease.
